**Village Feast /
Kimppakalaasit**

Village Feast

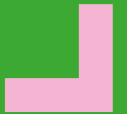

Kimppakalaasit

- Preliminary timetable of the project: March 2020 - December 2022
- Theme: international youth cooperation and networking
- The main target group are young people
- Key words:
 - Sustainable development
 - Traditions and organic food culture
 - Equality and networking
 - Multicultural activities
 - Exchange of experience
 - Climate change

General objectives

Knowledge

- Develop the knowledge of the participants in local traditions in a practical way
- Get to know local producers of organic food culture in Austria and in Finland

Networking

- Increase the participants networking and cultural exchange beyond our own national borders.
- Encourage youth to participate in international and multicultural activities.

Sustainable development

- Promote sustainable development by teaching young people involved in the project
- Inform how you can reduce your carbon footprint with your own actions

Joint actions/suggested actions (only transnational part)

- Workshops and courses
 - How to grow your own food
 - food traditions
 - organic food
- Excursions to ecological destinations
- International camp(s), city visit(s) and youth exchange
- Village food festivities

Danke schön!

Kiitos!
