

Dear Immigrant Mum!

- ❖ Would you like to improve your Finnish?
- ❖ Would you like to make friends and spend time with a Finnish woman?

Through the Mannerheim League for Child Welfare (MLL) South-Eastern District you can get to know a Finnish woman. Together you can learn Finnish and get to know each other's cultures. Maybe you want to go shopping, go for a walk or spend time in parks with your Finnish friend. Children are welcome to join the activities.

MLL is an NGO. Its aim is to promote the wellbeing of children, youth and of families with children, and support parenting.
