

## Kaukolanharju Observation Tower

Open in Summer 2026

**June 1 - August 5, 2026**

Wed-Sat 12-18 + Sun 12-16

(Mon+Tue Closed)

Closed on Midsummer Eve, June 19, 2026

*Experience breathtaking views from the top of the Kaukolanharju Observation Tower!  
Finland's oldest wooden observation tower rises on a scenic ridge, offering stunning  
panoramic views over the Häme lake uplands. Climb the 105 steps, pause for a  
moment in the heart of nature, and let the landscape take you away.  
A perfect excursion destination – a short climb rewarded with an unforgettable view.*
