

AIRPORT TRANSPORTS

For all teams we recommend to book airport transports in advance. The organizer is only providing transports from the competition hotel to the pool. The official competition hotel is 5 km from Helsinki Vantaa Airport (Sokos Hotel Flamingo) and the most convenient way getting there is a preordered taxi. The company has a welcoming service so the driver will be waiting for the teams in the Airport arrival hall. Please ask for this service when ordering the transport. There are no additional costs for this service.

Some teams have chosen another hotel, they can use this taxi offer as well. Therefore, you can see prices to Helsinki or Espoo as well.

Mercedes Sprinter, 16 seats
