Dear all,

PRESENCE OF RUSSIAN AND BELARUSIAN DELEGATIONS AT WORLD TRIATHLON CONGRESS

We have learned that again, at Congress, representatives from the Russian and Belarusian triathlon federations are planning to attend.

We would like to make it clear that we still find it inappropriate for them to attend, given the war is continuing in Ukraine. Our position on attending a conference together with the aggressor remains unchanged. However, we respect the legal limitations to excluding them from participation.

Please also note that we will not be posing for any joint photos with these delegates.

Yours sincerely,
