

Application for Season Fee Reduction

Season 2025–2026

Helmi Basket ry

Families may apply for support if unemployment, illness, a large number of children, or other factors affecting the family's livelihood make it difficult to cover the costs of basketball activities during the 2025–2026 season.

Reductions are granted only for season fees, not for tournament or equipment costs. Applications must be submitted in advance; reductions cannot be used to cover already overdue invoices.
