HELSINKI 23th May 2023

Open webinar at 12-17 local time (Helsinki). Registration is open.

Seminar starts 10 am GMT, local time (Helsinki) 12 pm, Seminar ends 17 pm.

Out of Margins? -Seminar in Helsinki 23th May 2023

The seminar discusses the opportunities provided by substance abuse services to reach people who are not covered by the services. In addition, the theme of what we can do to prevent drug overdose deaths will be discussed. The seminar ends with a panel discussion.

The seminar is organized in English and it is implemented as a webinar.
Implementation The Finnish Society of Addition Medicine in cooperation with the city of Helsinki.
