

Newsletter IV

Dear friends of choral music!

This is the fourth Newsletter with further information about the parade, the opening events, the program book plus the hint to becoming a choirreporter.

Parade & Official Welcoming

"Canta al mar 2013" will welcome all participating choirs with an entertaining Opening Event.

Starting at **15:30 o'clock on October 23**, all choirs need to gather at **Riera de Capaspre** for the Lineup of the Choir Parade. You will be guided and placed by INTERKULTUR staff.

Please wear your concert attire or traditional costumes. Flags and instruments are welcome.

The Parade will start at 16:00 o'clock from Riera de Capaspre along the inner city to the parc Pati de l'Ós.

The Parade will be followed by the Official Welcoming at **Pati de l'Ós**.

If your choir arrives after 16:00 o'clock, please go directly to Pati de l'Ós. The beginning of the Welcoming is **16:45 o'clock**.

Kindly note that the Parade as well as the Official Welcoming is open-air.

Singing Together

One part of the Official Welcoming is a "Singing together".

Please prepare the song "**Amigos para siempre**", which was already sent to you on 20 September in Newsletter 2.

Soloists will sing the verses; the **chorus** will be performed by all choirs together.

Opening Concert

In the evening of October 23 the Opening Concert will take place to give a first impression of "Canta al mar 2013" to the people of Calella. It happens at **Església de Santa Maria i Sant Nicolau** at **21 o'clock**.

Entrance is free, but not guaranteed seating.

Please inform us how many people of your choir will come to this concert, but that doesn't include any seat reservation.
