

Work and social support network in Finland

Work

- We have a website called Duunitori where you can find all available jobs.
- Applying for jobs is easy.
- Better work environment: safer jobs, better pay, work health insurance
- taxes depends on your income. If you earn a lot you pay a lot of taxes. Highest tax percentage is almost 60 % of your income

Social support network

- Finland is a model of social support
- Good benefits
- It's paid from taxes.
- Poor people get a lot of bennefits.
- Supports you if you end up unemployed.
- You get retirement pay when you retire.
