

Skater Agreement

This agreement is made between the skater and Rauman Taitoluistelijat ry (Rauma Figure Skating Club) for the 2026–2027 figure skating season.

1. Seasonal Training Fees and Contents

Seasonal fees for the period 1 August 2026 – 31 May 2027 (10 months):

Training Group	Total Seasonal Fee	Monthly Fee
Blue	€4,250	€425
Green	€3,750	€375
Orange	€3,250	€325
Yellow	€2,700	€270
Purple	€2,200	€220
Pink	€1,500	€150

All skaters will have a post-competition season break of approximately 1–2 weeks during April or May. The break will normally take place during the week following the Spring Show or at another separately announced time.

This holiday period is generally scheduled during the spring ice season (April–May), when ice rental costs are significantly higher. The break may coincide with the Easter holidays or be divided between the Easter holiday period and the final week of May. The exact timing may also depend on the schedule of Lukko's Liiga ice hockey games. The Club aims to announce the holiday period well in advance.

A 20% sibling discount is granted on the lower seasonal fee.

Seasonal fees are invoiced monthly by email. The due date is the 3rd day of each month, except for the first invoice of the season, which is due on 21 August 2026.

The seasonal fee may be adjusted during the season if necessary due to circumstances such as increases in municipal or facility rental fees or significant changes in the number of skaters enrolled in the Club.

A medical absence exceeding two consecutive weeks entitles the skater to a reduction in the following month's training fee. Written notification and a medical certificate must be submitted to the Club office by email (toimisto@raumantaitoluistelijat.fi) no later than the 1st day of the following month.

No refunds or reductions of the monthly training fee will be granted for holidays, vacations, or other absences for personal reasons.

Quarantine resulting from travel or exposure during an epidemic does not entitle the skater to a reduction of the seasonal fee. If an epidemic prevents an entire training group from practising, the Club's Board will determine any possible fee reductions on a case-by-case basis.

The seasonal fee includes:

- Ice and off-ice coaching from 3 August 2026 to 31 May 2027.
 - Blue Group: Generally 6 on-ice sessions per week, 5–6 off-ice sessions per week (including ballet/dance), and 3–4 morning ice sessions per week.
 - Green Group: Generally 6 on-ice sessions per week, 5–6 off-ice sessions per week (including ballet/dance), and 1 morning ice session per week.
 - Orange Group: Generally 5 on-ice sessions per week and 5 off-ice sessions per week (including ballet/dance).
 - Yellow Group: Generally 4 on-ice and off-ice training sessions per week.
 - Purple Group: Generally 3 on-ice and off-ice training sessions per week.
 - Pink Group: Generally 3 on-ice and off-ice training sessions per week.
- Regularly scheduled ice sessions from September through March (fewer ice sessions are available during the spring and summer ice seasons from April through August).
- Ballet/dance classes for the Blue, Green and Orange Groups. No refund will be granted if the skater chooses not to attend the dance classes. Dance classes are generally held from August through March.
- Off-ice training sessions and training facilities.
- Competition arrangements in accordance with the Club Competition Guidelines.
- Reduced entry fees for competitions hosted by the Club.
- Program evaluations ("Program Review Sessions").

The seasonal fee does not include:

- Club training camps.
- Judges' fees and coaches' travel expenses for competitions. These will be invoiced separately in accordance with the Club's travel expense policy, which is reviewed annually by the Board before the start of each season.
- Choreography, competition music, music editing, or recording.
- Competition entry fees, skating tests, test fees, or other competition/test-related travel expenses in accordance with the Club Competition Guidelines.
- Other separately organised events.
- National Team camps, Youth Project Group camps, lower secondary sports school camps, or other national training camps.
- Costume expenses for Club exhibitions and shows.
- Additional ice sessions or extra training sessions, including optional extra ice sessions and summer ice sessions in June 2027. Information regarding summer ice sessions will be provided separately.

- Mental performance coaching.

Transfers between training groups are possible. However, a skater transferring to another group must commit to the new training group for the entire autumn season (August–December) or the entire spring season (January–May).

2. Fundraising

Fundraising is an essential part of the Club's operations. The funds raised help cover the same operating costs as the seasonal training fees, enabling the Club to keep training fees as reasonable as possible while providing high-quality coaching and activities for all skaters.

Participation in fundraising is expected from every skater's family. The obligation is **per family**, meaning that if a family has more than one skater in the Club, one family's participation fulfils the requirement.

During the season, each skater's family is expected to participate in the following fundraising activities:

- **Supporting Membership (€50 per membership):** Each skater's family is required to obtain **two (2) Supporting Members** for the Club by **30 November 2026**. Please note that this requirement cannot be replaced by payment of the €1,000 fundraising compensation fee or by obtaining a Gold-level sponsorship agreement.
- **Ticket Sales for the Christmas and Spring Shows:** Each skater's family participates in ticket sales for the Club's Christmas and Spring Shows. The number of tickets allocated and the ticket price will be announced separately for each event. Families are responsible for settling the value of all allocated tickets, including any tickets that remain unsold.
- **Fundraising Sales Campaigns (3–5 during the season):** The minimum sales requirement for each campaign will be announced once the product has been confirmed. If the minimum sales target is not reached, or if the family does not participate in the campaign, the minimum campaign amount will nevertheless be invoiced and must be paid by the specified due date.
- **Volunteer duties at Liiga ice hockey games**, according to a separately published schedule.
- **Other fundraising events or volunteer activities** announced during the season.

For families of skaters in the **Pink Group**, the volunteer obligation consists of participation in event organisation (see Section 3) and obtaining **two (2) Supporting Members** per family.

3. Event Organisation

Each competitive skater's family is expected to participate in the following volunteer duties. (Please note that these obligations cannot be replaced by payment of the €1,000 fundraising compensation fee or by obtaining a Gold-level sponsorship agreement.)

- Assisting with the organisation of Club Shows and performing volunteer duties on the event day, as required.

- Assisting with the organisation of competitions hosted by the Club.
- Participating in other occasional volunteer duties organised by the Club (for example, Club Day events).

4. Membership Fee

Participation in the Club's training groups requires active membership in the Club and payment of the annual membership fee.

The membership fee is **€40 per person**. It will be invoiced during **August–September 2026** and covers the membership period from **August 2026 through July 2027**.

5. Club Communication

The Club communicates and shares news primarily through its social media channels. Official member notices and other important information are sent by email.

6. Breach and Termination of the Agreement

If either the Club or the skater materially breaches the terms of this Agreement, the other party shall have the right to terminate the Agreement with immediate effect.

The skater may terminate this Agreement by giving **one (1) month's written notice** to the Club by email at toimisto@raumantaitoluistelijat.fi. The notice period shall commence on the **first day of the calendar month following** the submission of the notice of termination.

The Club may also terminate this Agreement by giving **one (1) month's notice** if the obligations set out in this Agreement have not been fulfilled. In such cases, the notice period shall likewise commence on the **first day of the calendar month following** the notice of termination.

The Club's Board monitors compliance with the fundraising, volunteer, and event organisation obligations described in Sections 2 and 3 of this Agreement. If these obligations are not fulfilled and no separate arrangement has been agreed upon with the Club, the Club may charge a **contractual fee of €1,000**.

If this Agreement is terminated during the season, the skater will not be entitled to member-priced Club training camps until a new Skater Agreement has been signed.

The Club requires that all payments due from the skater are kept up to date. If any payments are overdue, the skater will not be eligible to represent the Club in competitions. Continued non-payment may also result in suspension from training until the outstanding payments have been settled or an alternative payment arrangement has been agreed with the Club.

7. Acceptance of the Agreement

By accepting this Agreement electronically no later than **31 August 2026**, the skater confirms their place in the training group assigned by the coach and agrees to represent **Rauman Taitoluistelijat ry (Rauma Figure Skating Club)** for the **2026–2027 season**.

A skater shall also be deemed to have accepted this Agreement by participating in their assigned training group's activities and fulfilling the obligations set out herein.

Fundraising *

- ☐ We will participate in the Club's fundraising activities.
- ☐ We choose not to participate in the Club's fundraising activities and agree to pay the **€1,000 fundraising compensation fee** upon invoice to the Club.
-

Photo Consent *

- ☐ I give permission for photographs of the skater to be used on the Club's website, in promotional materials, and in other figure skating-related communications.
- ☐ I do **not** give permission for photographs of the skater to be used on the Club's website, in promotional materials, or in other figure skating-related communications.
