Travelling by train from Helsinki Airport to Seinäjoki

How to buy a ticket from Helsinki-Vantaa Airport to Seinäjoki

- 1) The most practical way is to buy the ticket via Internet at your home, in good time before your arrival to Finland. In this case you do not have to pay extra, and you can book your seat already. This means you have no risk for a fully booked train. By buying your ticket via Internet means your ticket is also valid in a shuttle train from Helsinki-Vantaa Airport to Tikkurila, where you change the train to go to Seinäjoki.

- 2) You can buy the ticket also from the Helsinki-Vantaa Airport. There are two possibilities: You can buy it from the kiosks named "R-kioski" by using your credit card. This is a face-to-face option if you need help for buying the ticket.
Another option is to buy the ticket from Ticket Automat in the airport. This is quite a simple procedure, but at the moment the airport is a little messy because of a big construction project that is almost ready. It can be difficult to find these automats.
- 3) You can buy the ticket from the train. You take a free seat and wait for a railroad man. And buy the ticket. In this case, you must buy a ticket to the shuttle train anyway from the automat.

Remember: The shuttle train from Airport comes and goes to Helsinki - you have to change the train to go to Seinäjoki in Tikkurila.
