RU21 Open is a special NUM class. All archers in Olympic Recurve who are not comfortable shooting the long distances can participate in the RU21 Open class. This class is open to all archers, ranging from 13 years old to 20 years old, but it is likely most relevant for the U18 and U21 age groups.

Finals and medal ceremonies will be held in this class like the other classes.

Only accredited archers and coaches have access to the shooting range itself. Parents and spectators are directed to the stands behind the shooting line. The stands are covered and can accommodate up to 8.000 spectators. From all seats in the stands, there is a good view of the entire shooting range.

Each nation is allocated one coach accreditation for every 3 archers they have registered. Coaches are encouraged to wear their nation's T-shirt
