LANU PARK WALKING TOUR FACT SHEET

DATA SHEET: Lanu Park Walking Tour

Where Art and Nature Become One

Discover a unique outdoor gallery atop the scenic Kariniemi hill. Lanu Park is the life's work of sculptor Olavi Lanu, featuring monumental concrete sculptures that live in perfect symbiosis with the lush forest, gathering moss and changing with the seasons.

TOUR HIGHLIGHTS

Hidden Giants: Explore 12 monumental sculptures designed to blend into the cliffs and trees of the Kariniemi ridge.

Symbiotic Art: Learn about Olavi Lanu's vision of art that "whispers" from nature rather than shouting for attention.

Scenic Ridge Walk: Enjoy refreshing views of Lake Vesijärvi while walking through one of Lahti's most protected and lush herb-rich forests.

Seasonal Transformation: Witness how the sculptures change daily as they gather moss and react to the Finnish weather.

Photography Paradise: Capture the stunning contrast between rugged concrete and soft green nature.
