ABOUT THE CONFERENCE

The conference aims to promote and advocate safety and quality to improve patient outcomes and promote health and safety of patients by responding to early deterioration of patients.

The ANZICS and iSRRS conference provides a forum for intensive care professionals to share knowledge and experiences with colleagues by promoting safety and high quality care in intensive care. The inspiring program features inspirational global and local speakers who will discuss topics such as wellbeing, maternal deterioration, mobile simulation and ICU sepsis outcomes.

CONFERENCE COMMITTEE

Deepak Bhonagiri, Chair ANZICS Safety & Quality Committee

Daryl Jones, iSRRS Immediate Past President

 The Darwin Convention Centre
10 Stokes Hill Road Darwin City NT 0800

RSS

inform you of a joint conference on rapid response systems and ICU patient safety and quality.

This will be held in Darwin between the 20th and 22nd of July 2023.

There will be plenary sessions on days 1 and 2, and then concurrent streams for rapid response systems and ICU patient safety and quality. We are planning to have a social function on the night of the 21st of July 2023.

There will be a discount for all members of ANZICS and the iSRRS. Non-members can become a member of ANZICS or the iSRRS at the links below:
