

FM Sprinkler Seminar

FM London Operations are pleased to announce a one-day seminar on the 12 November 2024 for sprinkler designers/installers.

This will be free of charge. The agenda will include:

- Who and what is FM and why use FM Loss Prevention Data Sheets
- General installation recommendations (Data Sheet 2-0)
- FM plan review and acceptance process
- Non-storage sprinkler systems (Data Sheet 3-26)
- Overview of storage sprinkler systems, including
 - Data Sheet 8-9 Storage of Class 1,2,3,4 and Plastic Commodities
 - Data Sheet 8-34 Protection for Automatic Storage and Retrieval Systems
- Water supplies and underground mains

Particular reference will be made to where (and why) FM standards differ from BS EN12845 and the LPC standards.

Questions welcome (in advance is great but otherwise on the day)

Lunch will be provided

Those staying in the area the evening before will be welcome to join us for dinner (subject to numbers that one of the local restaurants can accommodate).

Date: Tuesday, 12 November
Time: 9:30
Venue: FM-Maidenhead Office
Voyager Place
Shoppenhangers Road
Maidenhead, SL6 2PJ

If you wish to attend please send an email noting how many places you would like to angela.wilga@fmglobal.com. Please include "Sprinkler Seminar" in the title.

As noted we are not charging for this seminar but please don't reserve places unless you are confident you will be able to use them (emergencies excepted).
