

Newsletter – Nordic Championships 2026 – Skanderborg, Denmark

Dear NCT participating clubs and countries,

Thank you very much for your strong support for the Nordic Championships 2026 in Skanderborg, Denmark.

We are truly overwhelmed to see 550 competitors registered for this year's NCT. This is fantastic news, but it also presents some challenges regarding the venue setup. We have worked hard to find a practical and creative solution, and we are pleased to announce that we will be able to set up four Poomsae areas and four Kyorugi areas. We kindly ask for your cooperation and understanding during the event to ensure smooth organization throughout the championship.

Waiting lists have now been activated for both disciplines. We will monitor cancellations and missing payments, which may allow us to activate additional athletes from the waiting lists.

Important: Payment Deadline:

Please ensure that all payments are made as soon as possible, and no later than December 29th, 2025. (The previous deadline of January 7th no longer applies.)
