ii. Falling down:

“Gam-jeom” shall be declared for falling down. However, if a contestant falls down due to the opponent's prohibited acts “Gam-jeom” penalty shall not be given to the fallen contestant, while a penalty shall be given to the opponent. If both contestants fall as a result of incidental collision, or in case a contestant who received a point with turning kick falls down, no penalty shall be given.

iii. Avoiding or delaying the match:

- a) This act involves stalling with no intention of attacking. A contestant who continuously displays a non-engaging style shall be given a “Gam-jeom”. If both contestants remain inactive after three (3) seconds, the center referee will signal the “Gong-gyeok” command. A “Gam-jeom” will be declared: On both contestants if there is no activity from them three (3) seconds after the command was given; or on the contestant who moved backwards from the original position three (3) seconds after the command was given.
- b) Turning the back and move away to avoid the opponent's attack should be punished as it expresses the lack of a spirit of fair play and may cause serious injury. The same penalty should also be given for evading the opponent's attack by bending below waist level or crouching.
- c) Retreating from the technical engagement only to avoid the opponent's attack and to run out the clock, “Gam-jeom” shall be given to the passive contestant.

This article relates to an intentional butting or attacking with the knee when in close proximity to the opponent. However, contact with the knee that happens in the following situations cannot be punished by this article.

- When the opponent rushes in abruptly at the moment a kick is being executed
- Inadvertently, or as the result of a discrepancy in distance in attacking.

- ix. Attacking the fallen opponent:

This action is extremely dangerous due to the high probability of injury to the opponent. The danger arises from the following:

- The fallen opponent is in an immediate defenseless state
- The impact of any technique which strikes a fallen contestant will be greater due to the contestant's position. These types of aggressive actions toward a fallen opponent are not in accordance with the spirit of taekwondo and as such are not appropriate to taekwondo competition. In this regard, penalties should be given for intentionally attacking the fallen opponent regardless of the degree of impact

- x. Dangerous play:

Unsafe play occurs when an athlete intentionally or unintentionally takes a stance, avoids the opponent’s techniques or plays with a game tactic where the head becomes a target and increases the risk to be hit to the head. Blocking a technique in a way so it hits the athlete’s head is also considered unsafe play.

*When there is a hit to the head the Referee shall ask for IVR to determine if the situation concerns unsafe or dangerous play, Intentional or Accidental, if he or she is uncertain.

When misconduct is committed by a contestant or a coach during a rest period, past the five (5) seconds of the round conclusion, the referee can immediately declare the “Gam-jeom” and the “Gam-jeom” shall be recorded to the upcoming round.

However, “Gam-jeom” shall be recorded to the previous round if the action happened within five (5) seconds of the round conclusion.

Doctor at medical room as explained in the WT Medical Rules. A venue medical doctor must perform SCAT5 on the injured contestant for diagnosis of concussion in the case of head injury within thirty (30) minutes after the head injury.

19.2.3 Any athlete who has been diagnosed with a concussion based on evaluation with SCAT5 will receive a forty-five (45) day suspension

19.2.4 Any athlete that have had two (2) concussions within a 90-day period will automatically get a 90-day suspension. Any athlete that suffer three (3) concussions within twelve (12) months (one year) will be given a twelve (12) month (one year) suspension.

(Explanation #1)

Keep the attacker away:

In this situation the standing opponent shall return to the respective contestant's mark, however, if the downed contestant is on or near the opponent's contestant's mark, the opponent shall wait at the boundary line in front of his/her coach's chair.

(Guideline for officiating)

The referee must be constantly prepared for the sudden occurrence of a knock down or situation where the contestant is staggered, which is usually characterized by a powerful blow accompanied by impact.

(Explanation #2)

In case the downed contestant stands up during the referee's count and desires to continue the fight: The primary purpose of counting is to protect the contestant. Even if the contestant desires to continue the match before the count of eight is reached, the referee must count until "Yeo-dul (eight)" before resuming the match. Counting to "Yeo-dul" is compulsory and cannot be altered by the referee.

**Count from one to ten: Ha-nah, Duhl, Seht, Neht, Da-seot, Yeo-seot, Il-gop, Yeo-dul, A-hop, Yeol.*

(Explanation #3)

The referee shall then determine if the contestant has recovered and, if so, restart the contest by the declaration of "Kye-sok":

The referee must ascertain the ability of the contestant to continue while he/she counts until eight. Final confirmation of the contestant's condition after the count of eight is only procedural and the referee must not needlessly pass time before resuming the contest.

(Explanation #4)

When a contestant who has been knocked down cannot express the will to resume by the count of "Yeo-dul", the referee shall announce the other contestant winner by RSC after counting to "Yeol":

The contestant expresses the will to continue the match by gesturing several times in a fighting position with the clenched fists. If the contestant cannot display this gesture by the count of "Yeo-dul", the referee must declare the other contestant winner after first counting "A-hop" and "Yeol". Expressing the will to continue after the count of "Yeo-dul" cannot be considered valid. Even if the contestant expresses the will to resume by the count of "Yeo-dul", the referee can continue counting and may declare the contest over if he/she determines the contestant is incapable of resuming the

match.

(Explanation #5)

When a contestant is downed by a powerful scoring blow and whose condition appears serious, the referee can suspend the count and call for first aid or do so in conjunction with the count.

(Guideline for officiating)

- i. The referee must not spend additional time confirming the contestant's recovery after counting to "Yeo-dul" as a result of failing to observe that condition during the administration of the count.
 - ii. When the contestant clearly recovers before the count of "Yeo-dul" and expresses the will to resume and the referee can clearly discern the contestant's condition yet resumption is hampered by the requirement of medical treatment, the referee must first resume the match with the declaration of "Kye-sok" and immediately after declare "Kal-yeo" and "Kye-shi" and then follow the procedures of Article 21.

may advise the referee to stop the contest and declare the injured the loser.

- 21.2 In a situation which warrants suspending the contest for reasons other than an injury, the referee shall declare “Shi-gan (time)” and resume the contest by declaring “Kye-sok (continue)”.

(Explanation #1)

When the referee determines that the competition cannot be continued due to injury or any other emergency situation, he/she may take the following measures:

- i. If the situation is critical such as an athlete losing consciousness or suffering from a severe injury and time is crucial, first aid must be immediately directed first and the contest must be closed. In this case, the result of the contest will be decided as follows:
 - ✓ The athlete causing the injury shall be declared the loser if the outcome was the result of a prohibited act to be penalized by “Gam-jeom”.
 - ✓ The incapacitated opponent shall be declared the loser if the outcome was the result of a legal action or accidental, unavoidable contact.
 - ✓ If the outcome was unrelated to the contest contents, the winner shall be decided by the contest score before suspension of the contest. If the suspension occurs before the end of the first round, the contest shall be invalidated. If points are tied, the winner shall be decided according to the criteria of superiority.
 - ✓ In case of best of three (3) System: If the outcome was unrelated to the match contents, the winner shall be determined by the points scored before the suspension occurred in the pertinent Round (in case of the Round 1 or 3). If points are tied, the winner shall be decided according to the criteria of superiority. If this occurs in the Round 2, the winner shall be determined by the decision of the Round 1.
- ii. If first aid treatment is need for an injury, the athlete can receive necessary treatment within one minute after the declaration of “Kye-shi”.
 - a) Order to resume the contest: It is the decision of the center referee, after consultation with the Commission Doctor, whether or not it is possible for the athlete to resume the contest. The referee can anytime order the athlete to resume the contest within one minute. The referee can declare any athlete who does not follow the order to resume the contest the loser of the contest.
 - b) While the athlete is receiving medical treatment or is in the process of recovering, 40 seconds after the declaration of “Kye-shi”, the referee begins to loudly announce the passage of time in five second intervals. When the athlete cannot return to the Contestant’s Mark by the end of the one-minute period, the contest results must be declared.

- c) After the declaration of “Kye-shi”, the one-minute time interval must be counted from the moment the commissioned doctor enters the mat or after waiting for the commissioned doctor for up to ten (10) seconds, if not readily available at the mat. However, when the doctor’s treatment is required but the doctor is absent or additional treatment is necessary, the one-minute time limit can be suspended by the judgment of the referee.
- d) If resumption of the contest is impossible after one minute, the decision of the contest will be determined according to sub-article “i” of this article.
- iii. If both athletes become incapacitated and are unable to resume the contest after one minute or urgent conditions arise, the contest result is decided according to the following criteria:
- ✓ If the outcome is the result of a prohibited act to be penalized by “Gam-jeom” by one athlete that person determine an appropriate time to re-contest the match. The constant who cannot resume the match shall be deemed to have withdrawn from the match.
 - ✓ In case of best of three (3) System: If the outcome was unrelated to “Gam-jeom” penalty, the contest result shall be determined by the points scored before the suspension occurred in the pertinent Round (in case of Round 1 or 3). If the points are tied, the winner shall be determined according to the criteria of superiority. If this occurs in the Round 2, the winner shall be determined by the decision of the Round 1.
 - ✓ In the case of the three round or one round system. If the outcome was not related to any prohibited act to be penalized by “Gam-jeom”, the result of the contest shall be determined by the contest score at the time of suspension of the contest. However, if the suspension occurs before the end of the match, the contest shall be invalidated and the Technical Delegate will determine an appropriate time to re-contest the contest. The athlete who cannot resume the contest shall be deemed to have withdrawn (WDR) from the contest.
 - ✓ If the outcome is the result of prohibited acts to be penalized by “Gam-jeom” by both athletes, then both athletes shall lose.

(Explanation #2)

The situation which warrants suspending the match beyond the above-prescribed procedures shall be treated as follows.

- i. When uncontrollable circumstances require suspension of the match, the referee shall suspend the match and follow the directives of the Technical Delegate.
- ii. If the match is suspended after the completion of the second round, the outcome shall be determined according to the match score at the time of suspension.
 - ✓ In case of best of three (3) System, if the match is suspended, the outcome shall be determined by the point scored before the suspension occurred in pertinent Round in case of Round 1 or Round 3 of the contest. If points are tied, the winner shall be

decided according to the criteria of superiority. In case of the occurrence during Round 2, the winner shall be decided upon decision of Round 1.
