Re: Register for the First Ever WTF G-1 Ranked Poomsae Event NOW

Dear Sir/madam,

I hope this letter finds you well and in good health. The continual growth and expansion of the GMS is due to the support we receive from each of you and we thank you for that.

In 2016 the WTF initiates the Taekwondo Poomsae World ranking for poomsae competitors. World ranking points earned by athletes will help them get a better seeding at the 10th WTF World Taekwondo Poomsae Championships to be held in Lima, Peru from Sept 29 to Oct. 2, 2016.

The Austrian Taekwondo Federation has the honor to host the first ever G-1 Ranked Poomsae Event, 12th Austrian Open Poomsae 2016 (G-1) which will be held on 18-19 June 2016 in Vienna, Austria.

Registrations are currently ongoing and the WTF hopes for a great turnout at this competition.

The online registration for this important event is Live in WTF GMS Event registration system (<https://www.hangastar.com/WTF/>). We strongly urge you to register your members and recommend your clubs to register their athletes for this G-Ranked event.

For any questions on the above please contact Mr Kabir Kar at gmsadmin@wtf.org.

Yours Sincerely

Justin Tenbeth

Director – WTF Global Membership System (GMS)
