

QWERTY

Digital Tools to Empower Youth Work

PROJECT DESCRIPTION

DATES OF THE PROJECT: 01/08/2021 – 31/07/2023

DURATION: 24 months

METHODOLOGY: the whole project will be based on **non formal education - NFE** methodologies. It will be proposed a **learning by doing approach**, where each activity is based on specific learning objectives in order to better target the educational action and to ensure a coherent learning process of individuals and groups.

AIM: provide youth workers, trainers, and educators, with innovative tools and working methods, to further empower the impact of their daily work with young people, applying digital and smart tools and methods.

More specifically the project foresees the development of new tools and approaches using smart tools to apply in both online and offline actions with young people and young people with fewer opportunities.

TOPICS:

- **Smart Youth Work:** new knowledge and skills on digital and smart youth work will be acquired, therefore developing concrete methods and actions to better engage of young people in non formal education activities through digital means and activities in presence
- **Inclusion:** deepening in the reflection about the nowadays digital divide and its links with youth social exclusion, therefore searching for common strategies to provide accessible activities online and offline using smart tools.

QWERTY Digital Tools to Empower Youth Work is a project forecasting one **TRAINING COURSE**.

FINANCIAL CONDITIONS

TRAVEL COSTS for all the actions
Refunded according to the maximum amount included in the Erasmus+ budget and calculated through the Travel Distance calculator of the EACEA
FOOD AND LODGEMENT COSTS for all the actions
Covered by the coordinating organization at 100%

GENERAL REMARK CONCERNING TRAVEL COSTS AND REFUNDS

The travel distance included in the budget is calculated according to the main office location of partner organizations. **Please, let us know if you are intending to involve a group of young people from a different location within your country.** In the case the travel costs will exceed this amount, the total amount refunded will correspond to the one fixed in the E-Form.

Moreover participants, informing the organizations in advance, will have the chance to opt for the **green travel** using more sustainable and eco-friendly means of transport.

All the participants will be refunded after the end of the project, upon the presentation of the travel documents, once all the tickets or boarding passes in original have been received. Normally the refund process takes approximately 6 months. The refunds is done directly to the sending organizations bank account, not to the participants bank accounts.
