A New Hope: Volunteering in Caritas' Social Centre

Sant'Agata di Militello, Sicily, Italy

PROJECT COORDINATOR: INFORMAGIOVANI ETS

InformaGiovani ETS is a non-profit organisation active since 2001 in the field of youth by promoting the right to information, local and international volunteering and youth mobility with a focus on young people with fewer opportunities. In the frame of European Programmes we have been implementing training, seminars, youth exchanges, and etc. about interculturalism, inclusion, volunteerism, active participation and media literacy through non-formal education methods. We regularly involve young people in volunteering projects as coordinating and a supporting organisation for Erasmus+/ESC projects. Furthermore, we run local international workcamps for promoting tolerance, diversity and cultural understanding. Since 2014, we have coordinated the EU informal network supported by Erasmus+, which nowadays counts up to 16 organisations in 14 European countries.

CARITAS DIOCESANA DI PATTI

The Caritas Centre in Sant'Agata di Militello (ME) was established at the end of 2021 for providing assistance to people with economic difficulties and with different social backgrounds. It intervenes in different activities such as solidarity pharmacy, with a storage for food and clothes to donate to people living in the surrounding areas, and running a listening center. The activities of Caritas Diocesana di Patti are carried out in order to achieve the organisation's objectives, which are to promote volunteering and to support people with fewer opportunities. Volunteers will be involved in solidarity activities (such as food distribution, clothing distribution and the organisation of solidarity events), in orientation and support activities for young people and in the management of a meeting place. Volunteers can make it possible to provide direct and continuous support for the activities, while at the same time promoting a culture of active participation and solidarity.
