JUNIOR CAMP 2022

LSF/IEF Junior Camp

Since 1996 LSF/IEF has been organising language stays for teenagers (11-16 years) in Montpellier.

This package is a unique formula in Montpellier offered only by our French school. This programme is specially designed for juniors and teenagers who come to France to combine a language stay with a holiday.

Enjoy an unforgettable stay in the sunny south of France with our all-inclusive package for juniors from around the world.

The course includes French lessons in the mornings, accommodation in a student residence (full board) or with a host family, a programme of afternoon and evening activities and fully supervised excursions.

LSF/IEF organises the best programme for juniors and teenagers, with **24/7 supervision** and support.

Our French language courses for juniors are offered as an all-inclusive package, or just with the French courses and activities/ excursions, or even just with the French courses.

Montpellier offers visitors a wide range of cultural activities, including museums (notably the prestigious Musée Fabre), exhibitions, renowned festivals and operas.

Accommodation

Host family

Staying with a host family allows you to enjoy a full immersion experience and is the best option for improving your level of French during your stay at LSF/IEF.

Staying with a host family is an excellent opportunity for students to discover the French way of life, to practise French during meals and also to share activities and maintain relationships with a French family.

Junior and teenage students share a room (with another LSF/IEF student of the same gender).

Our host families are carefully chosen according to a very thorough selection process and most of our families have been working with LSF/IEF for years.

The families are located close to our Junior Centre or can be reached quickly on foot, by tram or by bus (between 5 and 30 minutes). We try to place only one native speaker per family.

Student residence

Staying in a residence allows you to practise your French with students from all over the world, while being supervised by a team of dynamic and motivated LSF/IEF animators!

Students are provided with a shower room, toilet, bed, desk and cupboard.

The residence includes common areas and a fully secured exterior.

The LSF/IEF animators are housed in the residence, the students are supervised at all times, and there is a curfew every evening.

The team of LSF/IEF animators supervises the students at all times.
