

## Get to know our courses

Our German language courses in Germany offer the students the best options to study successfully. They can choose to learn German in a group course with 20 or 25 lessons per week. There are also different kinds of combinations of group with individual lessons or just private lessons available (see below).

One lesson lasts 45 minutes and in one class there is a maximum of 12 students (but on average only 7 students). There are no classes on official public holidays.

### ● Standard Course

- 20 lessons per week, 45 min. each
- Monday to Friday, 9:30AM – 1:00PM (or 2:30PM – 6:00PM in high season)
- The Standard German Course teaches speaking, listening, reading and writing skills in small groups of maximum 12 participants (average 7 participants)

### ● Intensive German Course

- 25 lessons per week, 45 min. each Monday to Friday, 9:30AM – 2:00PM (or 1:15PM – 6:00PM in high season) In the Intensive Course the student will
- also develop the skills taught in our Standard Course with an additional special focus on communication. Maximum 12 participants (average 7 participants)

### ● Mini Group Course

- 20 lessons per week, 45 min. each, max 6 participants Monday to Friday,
- 9:30AM – 1:00PM This German course has been especially developed to
- meet the requirements of those people who prefer to study in a very small group on a very intensive basis. In this course the student will have the guarantee that there will be not more than 6 people in your group.
- Important notice:** This mini group course is available only from October until June (not in July, August and September)

### ● Combined German Course

- Standard Course + 5 or 10 one-to-one lessons, 45 min. each The student
- will take part in the Standard Course and additionally receive one-to-one private lessons where you will practice your German intensively. In the private lessons the student and his/her teacher can focus on his/her specific individual requirements.

## Germanlingua

### ● Individual Tuition

- Lessons of 45 min. each Individual lessons are the most intensive form of
- language learning and ensure the greatest possible success. The lessons are tailored to suit the needs of anyone requiring specialized vocabulary for professional purposes, a particularly high standard of language training or for those wishing to make maximum progress in minimum time.

### ● Business German

- Economy, Hotel and Tourism, Marketing, Banking, Law, Medicine,
- Engineering etc. Business German lessons are perfect for those students who need the German language for their work. During these lessons, we focus on the special needs of the participants' professions.

### ● Preparation For Exams

- We help the student to get ready for the exams of Telc and the Goethe institute and others: the Zertifikat A1, the Zertifikat A2, the Zertifikat B1 (ZD), the Zertifikat B2, the Zertifikat C1 (ZMP), the Zertifikat C2 (ZOP), Test-DaF and the Deutsche Sprachprüfung für den Zugang ausländischer Studienbewerber – DSH (both are entrance examinations for German universities).

- Students are responsible for registering for the examination. We do not guarantee availability for exam dates.

### ● German Pronunciation

- Have a special focus on German pronunciation! This is often important for students in higher levels who still retain their native accent in German or for job purposes, where exact pronunciation is extremely essential.
