The screenshot shows the Europass user interface. At the top, there's a navigation bar with links like 'My Interests', 'My Applications', 'Learn & Grow', and 'User Centre'. The user is logged in, and the language is set to EN. On the left, a sidebar lists profile sections: 'Personal information', 'Education and training' (highlighted), 'Work experience', 'Language skills', and 'Skills'. The main content area displays the profile of 'Alli Esimerkki' with a placeholder profile picture and an 'Edit' button. Below the name are language options ('English' and 'suomi') and a 'My personal information' link. The 'Personal information' section shows 'Gender: Other'. The 'Contact details' section shows an email address 'esimerkki@alli.fi'. The 'Address' section is partially visible. To the right of the profile, there are buttons for 'More actions' and 'Share profile'. A red arrow points to the 'More actions' button. Another red arrow points to the 'More actions' dropdown menu, which is open and shows options: 'Add profile in a new language', 'Date format', 'Create your CV', 'Create your cover letter', and 'Watch video tutorial'. A third red arrow points to the 'Create your CV' option. A fourth red arrow points to the 'Create your cover letter' option. A fifth red arrow points to the 'Watch video tutorial' option.
