

VOLUNTEERING PROJECT AT

AWVO

Who are we?

AWO Service- und Begegnungszentrum Untertürkheim is a friendly and welcoming **community center** focused on creating connection and shared experiences for **elder adults in the neighbourhood**. It is a lively meeting place where people can spend time together, find support, and enjoy social activities in a warm atmosphere. It is based in **Stuttgart**.

The center offers a variety of **regular programs**, including social afternoons, information events, slide-show presentations, game and craft sessions, and many other community activities. Visitors are always welcome to drop by for a relaxed cup of coffee and a friendly chat.

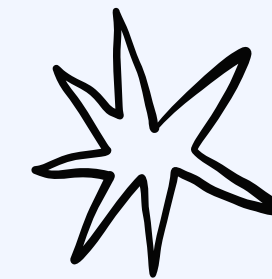

Who are we?

A central element of daily life at the center is the **communal lunch table**. From Monday to Friday, guests can enjoy a warm meal in a shared and friendly setting.

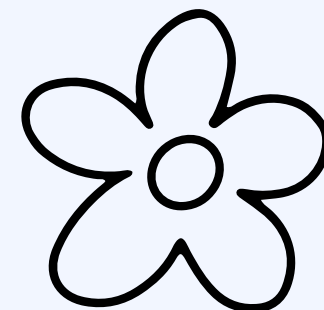

The focus of the center is **social work with older people**. There is **no medical or nursing care involved**. The aim is to **strengthen social participation, reduce isolation and create opportunities** for enjoyable, meaningful encounters.

For ESC volunteers, the Begegnungszentrum Untertürkheim offers valuable **experience in community and social work**: supporting activities, engaging with older residents, helping to run daily programs and contributing to an inclusive, caring community space.
