

GLOBAL INITIATIVE FOR EXCHANGE AND DEVELOPMENT INC.

STEPS PROGRAM WORK PROFILE | 2022 - 2023

Dear future volunteer,

Voluntary work in the Philippines aims to provide you with an environment wherein you will achieve great inter-cultural understanding and appreciation of local lifestyle by exposing yourself with the daily realities of the local community. Sharing everyday life in another culture is the best way to get an understanding of it. You should be prepared to take over a certain amount of responsibility and work together with your co-workers.

Volunteering for development is guaranteed to be a life-changing experience. Once positive change is experienced it hopes to usher better conditions to hone your knowledge, attitude and skills towards the project and hopefully it would mark a lasting positive impact in your life and become a citizen of the world continuously striving for social development.

The Philippines is a fast growing country in Southeast Asia, with multiculturalism and rich Biodiversity that makes it an exciting and dynamic place to learn and grow.

We are very much looking forward to welcoming you to the Philippines.
#LiveXtraordinary

OUR WORK PROFILE

Contains information about our Short Term Volunteer Program work placements in the Philippines. The aim is for you to be oriented about what kind of voluntary work we offer and help you to get acquainted about the opportunities and limitations of our projects.

We partner with different local partner institutions (LPs) such as Not for profit organizations/Non-government Organizations, local government units, schools and other civic organizations that offer basic social services to vulnerable sectors such as children, youth, women, farmers, elderly, person with disabilities, etc. to advocate and empower through education, health, environment and agriculture development, training and capability building, livelihood and social entrepreneurship. Your potential participation to any of our projects will surely provide a mutually beneficial learning opportunities to carry out meaningful tasks and sustained support system with our LPs. It will also further promote international voluntary service exchange and inter-cultural understanding to gain global peace and friendship.

We accept STEPs program participants year round depending on the availability of the project provided that application is submitted at least one month before deployment.

VISA INFORMATION

GIED is a recognized organization of the Philippine National Voluntary Service Coordinating Agency (PNVSCA), a national government agency in charge of coordinating and promoting volunteerism for development in the country. Our STEPs Volunteer Program from 3 months up to five months are acknowledge as supportive to the volunteering for development vision of the Philippine government. Thus, all future incoming STEPs participants have a chance to access the Philippines' Free Volunteers' Visa (47(a)(2) visa) as well as guaranteed support and safety protection from the Philippine government provided that applications are submitted at least three months prior placement.

Volunteers who are 18 years old and above who intend to stay in the Philippines for more than three months to maximum of two years or more are encourage to apply for the 47a2 Visa. Please refer to our Visa Guidance for more details.

Hosting Situation

We offer two different host situations depending on the the project:

- Living in a Host family, expect to have a shared room with siblings or another member of the family. Typical Filipino family generally revolves around the extended family, including parents, grandparents, aunts, uncles, cousins and other relatives.
- Live at the project site, with other (Staff or/and international) volunteers working at the same place. Living at the project site offers you a more independent living situation than staying with a host family but still there are rules that you need to follow and adopt.
