

LONG AND MEDIUM TERM VOLUNTEER PROJECTS-2024

SECTION 1: INTRODUCTION

1.1 Background

UVIKIUTA is a vibrant Youth development Organization that values volunteerism as a tool for sustainable development. The organization was established in 1983 to respond to the needs of young women and men to raise their living standards through developing and enhancing social and economic capacities. Our goal is to contribute in building sustainable and self-reliant communities through providing holistic experience that broaden minds, expand horizons and empower young people and their communities to realize their full potential as productive, responsible and caring citizens. UVIKIUTA-Tanzania is founder member and current President of the Eastern African voluntary service Network (EAVS-Network), formally EAWA, Long term partner of Service Civil International (SCI), ALLIANCE and NVDA. We work also very closely with Government Departments, United Nations Volunteer Program (UNV), learning institutions, Non-Government and Community based organizations.

1.2 Long and Medium term volunteer projects

Long and Medium term volunteer projects are unique program that last between one to twelve months. The program engage volunteers from various backgrounds (Cultural, education level, age, etc.) aiming to share life together while providing service to the community. The program connects people from around the world with local projects and communities. It offers a powerful vision built on our belief that volunteers have a vital role to play in development and in building a more just and sustainable world society. Medium term projects offer an opportunity to work as a volunteer, experience different cultures, meet people from different countries, learn new or improve skills, take part in peace making and hands-on on various community-based development projects. Volunteer position is an exceptional option for people to gain experience in service projects and an increased understanding in world issues.

Partner/project host/ project overview

Community and Voluntary service (CVS-Najitolea) is one of the UVIKIUTA's program dedicated to engage youth and volunteers from various backgrounds aiming to share life together while providing service to the community. The program connects people from around the world with local projects and communities in Tanzania. It offers a powerful vision built on our belief that volunteers have a vital role to play in development and in building a more just and sustainable world society. The program would not be able to reach out targeted population all over the world without our dedicated volunteers, like **Social-media support** who provide their time and bring multitude of skills and knowledge. In return, we offer learning and development opportunities, valuable insight into International voluntary service movement and a friendly environment to meet new people. Social-media support in this team is an important role to bring this program to the reality.

Description of work

- *Content Planning:* Collaborate with the team to develop a social media content strategy that aligns with our mission and goals.
- *Content Creation:* Create visually appealing and engaging content, including graphics, images, videos, and written posts.

- *Content Scheduling:* Manage the social media content calendar and schedule posts across various platforms.
- *Social Platform Management:* Monitor and maintain our social media profiles on platforms such as Facebook, Instagram, Twitter, and others. *Social Media Platform Engagement:* Interact with our online community, respond to comments and messages, and foster meaningful connections.
- *Campaign Support:* Assist in the development and execution of social media campaigns to promote our community projects, voluntary services and fundraising efforts.

Food & accommodation

Accommodation will be at the host families in the eco-village. Basic accommodation facilities like water, electricity and toilets will be available. Expect to share room with other volunteer or family member of the same gender. Food will be provided with the host family. Volunteers with special dietary requirements are encourage to inform us in advance. Volunteers are expected not to be guest but part of the family, engaging and participate in house chaos and other social activities happening in the family.

Location & leisure activities

Chamazi is an urban and multicultural community located about 25km from Julius Nyerere International airport, Dar es Salaam and about the same distance from Dar es Salaam city Centre. A good number of social services are available including mobile phone signals, financial and shopping centers, etc. All this makes this community attractive and accessible for people to live, work and visit. Public and private transport are available 24/7. Location of Chamazi community provides access to various leisure activities. There is a sports complex, clubs and entertainment centers nearby. Been in this community you have also access to City tour, visiting museums and historical site, a day tour to Bongoyo Island, Swimming and water related relaxation in Bagamoyo or Zanzibar.

Volunteers required for this project

<i>Male: 1</i>	<i>Female:1</i>	<i>Total: 2</i>
<i>Volunteers per Nationality: Max.2</i>	<i>Volunteers under 18: Max.0</i>	<i>Local volunteers: Max.1</i>

Remarks (Other information)

- Once a volunteer is accepted an official invitation letter from us will be issued. Take enough time to apply the since visa or work permit/resident permits application process can take long.
- Visas, Work/resident permits are applied and issued online. Applicants are advised to make their applications through the official Tanzania Immigration website www.immigration.go.tz ONLY or directly through the link: visa.immigration.go.tz and Not through any other links.
- Who need and who does not need visa to come to Tanzania?
<https://www.immigration.go.tz/index.php/countries-which-are-not-required-to-apply-for-visa> .
- Resident and work permits are mandatory for project lasting from 91 days.
- Our staff will be available through out to provide support in the process of visa or work/resident permits application.

<i>Minimum age:</i> 18	<i>Maximum age:</i> 99
<i>Extra Fee:</i> 100€ per month	<i>Currency:</i> Euro
<i>Volunteers with disabilities:</i> Accepted and encouraged to apply.	<i>Vegetarians food:</i> Available

4. Children safe place

code	type	location	nr of vols.	availability
UV.08-03	CHIL-EDU-SOCI	Vigoa	2	Permanent

Partner/project host/ project overview

In every country Tanzania included there are unfortunately many children who have been abandoned to their own luck, Orphans, born in homes with no love, abused, or suffer poverty and sickness. These children need a loving heart, attention, education and friends who can help them find a better life full of opportunities, be successful and most important have happiness life. Children safer place is a project aiming to increase the overall wellbeing of the children through various approaches. Teams of past volunteers have been here spending quality one-on-one time with children and teenagers giving them love and attention they need at least after school hours when parents are busy to sustain their livelihoods. The end results of this process is to create a safe environment for children to build their potential future. The project is focusing Children from the age of 6 to 14 years (Mostly kindergarten and Primary school children).

Description of work

- Academic development: Provide support to the kids/Teens on after school studies especially on Mathematics, Language (English) and Science subjects depending on their age and levels.
- Social Skills: To train kids to understand basic social skills that will help them to interact well with other people, manner etc.
- Extracurricular activities: Organize activities which will help the kids to relax after long days of studies. This may include games, sports, Arts, Craft, music classes, Movie/ cartoon watching etc.

Food & accommodation

Accommodation will be at the host families located at the eco-village. Basic accommodation facilities like water, electricity and toilets will be available. 5. Rehobothi child-care center

code	type	location	nr of vols.	availability
UV.08.05	KIDS-EDU	Vigoa-TEMEKE	2	PERMANENT

Partner/project host/ project overview

In Tanzania, Child-care Centers are social facilities that care for children in groups and they have different sponsors, including schools, churches, social service agencies or independent owners. Many parents choose center-based care because they believe the presence of multiple caregivers, larger groups of children, and state inspections make them both safer and more dependable. Some parents also consider these types of centers to be a better learning environment for their children. Rehobothi Childcare center is an establishment aiming ensure that children in the community receives a good quality childhood care, education and gains the skills and knowledge they need to thrive achieve promising future. The center is focusing on Children from diverse social and economic backgrounds from the age of 2-6 years old. About 40-70 children are attended daily with a team of 4 as well volunteers

Description of work

Basic Childcare: Basic childcare is a primary function of at Rehobothi Child-care centre. Much of a volunteer's time is spent monitoring children to ensure they remain safe as they go about their activities.

Play time: Play helps children share with others and copes with their feelings while developing verbal and nonverbal communication skills. Play also helps develop children's fine motor development and helps them develop confidence. Volunteers usually assist with age-appropriate activities such as helping toddlers and pre-schoolers with arts and crafts, reading, writing, dancing, singing and playing games.

Clean-up and maintenance: to maintain focus on children at all times and to help maintain a safe, friendly, supportive environment. Volunteers must be vigilant to ensure all toys and equipment's are safe, clean and in good working order, and to report problems to supervisors or head of the Centre. Volunteers usually stock supplies and help with clean-ups of kids rooms or play areas.

Capacity development: Support local staff through knowledge and experience sharing on various teaching/Kids caring methodologies, Teaching English language etc.

Food & accommodation

Accommodation will be at the host families located in eco-village. Basic accommodation facilities like water, electricity and toilets will be available. Expect to share with other volunteer or family member of the same

gender. Food will be provided with the host family. Volunteers with special dietary requirements should inform us in advance for prior arrangements. Volunteers are expected not to be guest but part of the family, engaging and participate in house chaos and other social activities happening in the family.

Location & leisure activities

Travel and information sheet

- *Nearest International airport:* Julius Nyerere International Airport, Dar es Salaam
- *Nearest Bus/Railways stations:* Mbagala Bus Terminal
- *Directions to the meeting Point:* Vigoa is located about 25km south of Dar es Salaam city Centre. It is accessible by Public transport from the main centers by taking buses going to Mbande Kisewe. Drop off at Mikumi bus stop and walk few meters ahead and on your right side is UVIKIUTA sign. Due to the complex of public transport in Dar es Salaam, volunteers will be picked either at the airport, Bus stations, and railway stations or accommodation facility within Dar es Salaam city Centre. Thanks to technology, volunteers can now use UBBER or BOLT apps to locate the venue by designated transport service providers.
- *Information sheet:* This document will be available to the individual accepted volunteer minimum four weeks before the project start.

7. Teaching English language

Code	type	location	nr of vols.	availability
UV.08-07	EDU-SOCI-CULT	Vigoo	2	Permanent

Partner/project host/ project overview

English language is being taught as a second language and as an official language for more than 80 Countries worldwide. It is considered the most important language when it comes to studies, searching for jobs, business, traveling, etc. Each country including Tanzania has its own National language spoken and understood by people in different regional blocks. Some languages are spoken by millions of people, the others by just a few thousand people. In recognition of this reality, UVIKIUTA Youth center has developed English Language program with the aim of providing learning opportunities to economically disadvantaged members of the community to access free Basic English language courses to enable them to access various businesses, education and employment opportunities.

Description of work

- Delivering lessons with a focus on practical use of English
- Testing and grading students and find creative means to encourage learners to practice their reading, writing and speaking English language through group settings and one- to one exercise.

Food & accommodation

Accommodation will be at the host families located at the eco-village. Basic accommodation facilities like water, electricity and toilets will be available. Expect to share room with other volunteer or family member of the same gender. Food will be provided with the host family. Volunteers with special dietary requirements should inform us in advance for prior arrangements. Volunteers are expected not to be guest but part of the family, engaging and participate in house chaos and other social activities happening in the family.

Location & leisure activities

Vigoo is one of the communities that form Chamazi ward located about 25km from Julius Nyerere International airport, Dar es Salaam and about the same distance from Dar es Salaam city Centre. A good number of social services are available including mobile phone signals, Police station, shopping centers, Pubs, banking facilities, various religion worship places etc. All this makes the community attractive to live for people who are commuting to Dar es Salaam city Centre for work every day. The community is accessible through public and private transport systems.

Location of Chamazi community provides access to many leisure activities. There is a sports complex, clubs and entertainment centers nearby. Been in this community you have also access to City tour, visiting museums and historical site, a day tour to Bongoyo Island, Swimming and water related relaxation in Bagamoyo or Zanzibar.

8. Mathematics and science Subjects

UV.08-08	EDU-SOCI-CULT	Vigoa	2	Permanent
----------	---------------	-------	---	-----------

Partner/project host/ project overview

In an educational environment, mathematics and science subjects has been often referred to be a bridge of success or failure for high school graduation and career. It is a fact that mathematics and Science subjects has become a pump rather than filter in the pipeline of education system. Inadequate mathematics, science skills and understanding affects one's ability to make critically important educational, life, and career decisions.

The results of National examinations still informing poor performance of students in Mathematics and science subjects. Some of the factors which has been underlined to contribute to this situation includes; lack of interest among the students, inadequate number of teachers, teaching aide/facilities etc. Mathematics and science project is an initiative aiming to respond to some of outlined challenges in cooperation with local community schools, education centers and other education stakeholders hence contribute to better results among the students for their better future.

Description of work

- Lessons planning
- To create learning scenarios that catches the interest of the students
- To stimulate the students desire to learn Mathematics and or Science subjects
- To assign homework to ensure that the mathematics and or Science subjects taught that day was understood
- To conduct small groups sessions or one to one sessions when necessary
- To back track-track math education for some students in order for them to understand current lessons
- To give tests & examinations that meets the standard qualification for the mathematics and or Science subject curriculum at the school.

Food & accommodation

Accommodation will be at the host families at the eco-village. Basic accommodation facilities like water, electricity and toilets will be available. Expect to share room with other volunteer or family member of the same gender. Food will be provided with the host family. Volunteers with special dietary requirements should inform us in advance. 9. Intercultural exchange

Code	Type	Location	Nr of vols.	Availability
UV.08-09	ART-CULT-SOCI	Magole	2	Permanent

Partner/project host/ project overview

It is believed that the world's population recently passed more than 7 billion people, an incredible number to measure. In Tanzania, Africa as well around the world many people still barely meet anyone outside of a small circle of family, friends and community while even more never venture beyond the culture in which they were raised. Intercultural exchange project is aiming to serve as an important means of introducing people around the world to realities they might not normally be exposed to.

Many barriers have begun to fall between people around the world, with near-instantaneous communication allowing people on opposite sides of the world to meaningfully interact. Cultural exposure project encourage people from all walks of life to appreciate and understand distinct cultures and play a key role in creating productive dialogue across the world.

Description of work

The major aspect of this project will be focusing on community life styles. Volunteers and Community members will have an opportunity to experience and exchange both work and leisure behavior patterns in various activities, attitudes, interest, opinions and values. This provide an opportunity to reflect on each involved person's self-image or self-concept, the way they see themselves and believe and believe they are seen by other others. This is expected to be a composite of motivation, needs and wants influenced by factors such as culture, family, reference groups and social classes. In realization of the above objective; Volunteers will join series of activities that will include: -

- *Community economic Life (I do what they do):* Volunteers will participate in the daily of the community members. This will include working in a small business, farming, hand craft, Arts, taking care of animals and other daily economic activities of the community members.
- *Social-Cultural life:* Volunteers will participate in various social aspects of community life including traditional medicine and health care (Learning and experience), Rituals: Visiting ritual sites, learning and understanding, Ceremonies: Participating in wedding, initiation and other traditional and religious ceremonies available during that time.

- *Language exchange:* This will include; Intensive Kiswahili Language (1-2 Hours every day), Optional foreign Language Teaching Class depending on the volunteers' country of origin or language he/she can managed
- *Knowledge exchange:* Knowledge exchange will include Intergenerational exchange, age groups knowledge and experience sharing events, Images of my (Self, Culture, Country etc.) Vs. Others, Community Exhibitions: Sharing various arts, music food etc.

Food & accommodation

Accommodation will be at the host families at the eco-village. Basic accommodation facilities like water, electricity and toilets will be available. Expect to share with other volunteer or family member of the same gender. Food will be provided with the host family. Volunteers with special dietary requirements are encouraged to info us in advance. Volunteers are expected not to be guest but part of the family, engaging and participate in house chaos and other social activities happening in the family.
