Hosting organisation

This project is organized and hosted by **De Amicitia**. Our main activity is organising workcamps and local/international youth projects in collaboration with the town halls and local associations. In this project, De Amicitia also will be collaborating with local townhalls of the small villages around Sanet.

De Amicitia is an Environmental non-profit, non-governmental organization registered in the Spanish National Associations Register since 1998.

De Amicitia is a member of The Alliance of European Voluntary Service Organizations is an International Non-Governmental Youth Organization that represents national organizations that promote intercultural education, understanding and peace through voluntary service.

We provide an opportunity for volunteers, both youngsters and adults, to take part in local and international volunteering activities, especially towards environmental protection and sustainable development.

In addition, De Amicitia takes part in international youth exchanges and seminars, both as a host and sending organization. These are focused primarily on social activities and promoting development, peace and human rights.

Accommodation

The volunteers will stay in a volunteer house, with three rooms with several bunk beds and bathrooms. So several volunteers will share rooms. The house includes a nice kitchen in which the volunteers will cook for themselves under the guidance of the camp leaders. Sheets need to be brought by the volunteer, there are beds but we can not guarantee the sheets and covers. Please bring your own or bring a sleeping bag.
