

Certification of Quality

Company Ltd.

has been granted this Certificate and the right to use the 'Woodpecker Tea' label in their products.

The Certificate pertains to the process of 'harvesting and cultivating organic chaga as an ingredient of supplements.'

The Certificate Holder shall adhere to the following instructions by Pro Pakuri Finland ry and the Finnish Food Authority:

- Pro Pakuri Finland ry's guidelines regarding harvesting and processing chaga
- The Finnish Food Authority's guidelines on the sampling of foodstuffs and own-check testing

This Certificate proves that the chaga used by the Certificate Holder is harvested from pure Finnish nature and cultivated with processes that result in high-quality products.

In Helsinki, until dd.mm.2024
