Camp theme: Finnish winter wonderland – Aurora Borealis

Welcome to Aurora Borealis - Winter wonderland Lions youth camp 107L. Finnish nature in middle of winter is unique experience. We will see unbelievable nature`s show – Aurora Borealis. Plenty of snow and minus 20-30 degrees Celsius temperatures gives you a warm welcome to Finnish way of life. Not to mention about Kaamos - polar night, the sun is almost below a horizon in middle of a day.

We have multiple activities in outdoor sports, skiing, slalom, sled dog ride etc. If it`s too dark or cold, we can do indoor games as archery. There will be few visits nearby interesting cultural and nature attractions, Ranua Zoo and Santa village for example.
