Call for Papers

Health Economics PhD Student Workshop

December 11th, starting at 9am

Hybrid seminar at Turku School of Economics

We encourage all PhD students working on health economics topics to present a paper or ongoing research (work in progress) at the workshop. We will assign longer slots to presentations of papers at a more advanced stage. Each paper will be discussed by a senior researcher.

The workshop will be organized as a hybrid event at the Turku School of Economics, University of Turku. Students are encouraged to attend and present their work either in person or online via Zoom.

The workshop provides an opportunity for PhD students to present their research and receive feedback from senior researchers and other participants.

Please send an abstract, extended abstract or full draft to Mika Kortelainen at mika.kortelainen@utu.fi by **Friday, November 27th, 2026**. Notifications will be sent by **Wednesday, December 2nd, 2026**.

Organizer:

Mika Kortelainen, University of Turku and Finnish Institute for Health and Welfare, Email: mika.kortelainen@utu.fi
