Health Economics PhD Student Workshop

November 29th, 9am –

Hybrid seminar at Turku School of Economics

We encourage all PhD students working on health economics topics to present a paper or ongoing research (work in progress) at the workshop. We will assign longer slots to presentations of more advanced stage papers. Each paper will be discussed by a senior researcher.

The workshop will be organized as a hybrid event at the Turku School of Economics in University of Turku. Students are encouraged to attend and present their work either in person or online in Zoom.

We encourage students to take this opportunity to learn to present their work.

Send in abstracts, extended abstracts or full drafts to Mika Kortelainen at mika.kortelainen@utu.fi by **Friday November 15th, 2024**. Notifications will be sent by Wednesday 20th, 2024.
