

Invitation

Celebrate with glamor, think sustainably – woman of the year gala 2024.

BPW Estonia Green Club invites you to participate in the festive woman of the year gala – an evening that will be full of glamor and femininity as we will announce the woman of the year and the young woman entrepreneur of 2024.

8th November 2024 At 19.00

Kaja Cultural Center, E. Vilde tee 118, Tallinn

This year, we are not only celebrating achievements and stories but also the preservation of our shared future, as sustainability lies at the heart of the gala – every choice we make is done with care for the environment and community.

- Dress code: we encourage you to wear clothes that tell a story – give a new chance for that dress sitting in your closet to shine! If you're buying something new, opt for pieces from second-hand stores!
- Menu: fully plant-based and eco-friendly – we promise a delightful culinary experience while caring for the environment!
- Accessibility: the gala venue is accessible by public transportation to reduce the carbon footprint and ensure easy arrival for everyone.

Tickets:

- Early bird (until 20th October) – regular ticket 59 €, youth/senior ticket 49 €
- Regular bird (21st to 31st October) – regular ticket 69 €, youth/senior ticket 59 €
