The daily fee includes electricity. No additional charges per person. Every 5th consecutive day is free of charge. For electric car charging, see other fees.	The daily fee includes electricity. No additional charges per person. Every 5th consecutive day is free of charge. For electric car charging, see other fees.

The accommodation period ends at 3 pm (15.00).

We want to keep the area quiet at night between 11 pm and 7 am (23.00-7.00).

Pets are welcome.

Other fees

Private sauna, 1 h, on request: SFC member 15 €/h and non-member 20 €/h.
LPG: Ask for the current price.
Charging an electric car with a meter according to consumption 0,30 €/KWh.

Payments are made by card during the host on duty hours. At other times, payments are made to the Association's account within seven days. **No cash payment.**

During the host on duty days, please return the **completed passenger declaration** form to the host. The passenger declaration form must be completed in the same way as in hotels, and this is based on the law.

When the area is a self-service area:

- Fill in the passenger declaration and enter the date of arrival and departure in the declaration.
- Fill in the bank transfer form, one part for yourself and one part for the association.
- Always leave the above documents in the grey mailbox inside the open office. Thank you! 😊

Host on duty 2025

Host on duty is daily from 16 June to 31 August and the first three weekends in September. Outside the host shifts, the area operates as a self-service area.

During the summer, a host is on duty to meet visitors and, if necessary, other permanent place holders help. Host duty is a rotating assignment in the area. The host on duty is responsible for guiding, charging visiting fees, heating the sauna and cleaning.

Sauna

The fee includes the use of the sauna on public sauna days. Every day in summer. Sauna shifts are during the host on duty times are:

- Women 6 pm - 7.30 pm (18.00 - 19.30)
- Men 7.30 pm - 9 pm (19.30 - 21.00)

Private sauna, 1 hour, before or after public sauna shifts. See the price list, other fees. Outside of host shifts, the area is a self-service area, and the sauna is heated as required.

Safety

When camping, you must maintain **a minimum safety distance of four (4) meters** from another caravan, motorhome, awning, tent, terrace or similar.

The safety distance must be at least 4 meters from:

- Another camper or motorhome
- Another awning / tent
- Another wooden laver or fence attached to a caravan place
- A separate tent
- A towing motorhome
- A towing vehicle not associated with the fire load unit in question.

Parking

Park your camper or motorhome in a marked place either:

- The left rear corner is at the place marker.
- If the front is ahead, park the vehicle 4 m to the left of the sign, leaving the necessary safety clearance for the next vehicle.
