14 years old and still so much energy & good looks. So good to see that she is having so much fun and is so lively. Head that shows her age in grey colors. Well placed ears. Good dentation, good neck. Body with good proportions. Good angulation front & rear. Well springed ribs. Good coat, white could be little more white. In movement she goes with good power and allure, and definitely not showing her age. Big compliments for this constantly wagging tail. Käsiteltävissä.

Almost 14 years and wow she is still going strong. Good size & proportions. In head she shows her age with color and bit more bone but with good proportions. Good teeth. Nice eyes with sweet expression. Scissor bite. Her front is placed a bit too front, pelvis a bit too steep. Good length of legs, good bone structure,

harmoniously angulated in rear & front. Coat a bit open but with nice feathers. Moves very well her age. Excellent in behaviour. Käsiteltävissä.
